LOVE
STORY

WE DID IT!!!

The scope of this year's zine was significantly larger than last year, but we made it work.

This zine couldn't have happened without **PINE**, who formatted a decade's worth of spreadsheets and put the whole thing together into one neat little package.

CHERIE and **JAS**, my other mods, gave moral support and made sure I didn't lose my sanity.

Thank you to everyone, especially the wonderful **ARTISTS** this year, and to you for reading!!

IMMOTILE

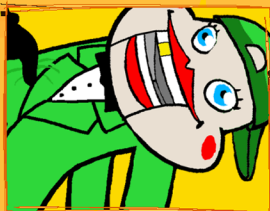

Combining your iconic getup with a KANDI BRACELET, you create the
SACCHARINE DISPOSITION.

Forged by the QUEEN OF S'CEEN of the CAVERNS OF HIIIISTRIONICS, using
naught but a RANDOM NUMBER GENERATOR and MONSTER ENERGY, you may now wear
her sugary battle regalia yourself.

Cities will burn.
